We are looking to appoint enthusiastic and hardworking individuals who are passionate about ensuring all children are given the best opportunities to succeed in life.

Exeter Learning Academy Trust (ELAT) is a partnership of schools based in Exeter. Our schools work together to provide a quality education that opens doors for every one of our pupils to put each child on a path to achieve their ambitions, no matter what their background.

We are looking to recruit a team of cover supervisors who will support the schools in covering for staff absence, both planned and unplanned. Each cover supervisor will be given a home school but should expect to be deployed across our schools to provide cover as and when needed. Regular training and coaching will be provided by the Trust.

The successful candidates will have strong communication and relationship building skills; excellent behaviour management strategies; enjoy working with children; knowledge of the primary curriculum and a commitment to their own professional development. This post will require candidates to have a car to travel between schools.

This post is temporary for two terms in the first instance as it is being supported by additional in year Covid funding. If these roles are successful for the schools, then permanent positions will become available.

If you are interested in joining an organisation where we strive to be the best we can be and are excited at the opportunity to help improve life chances for children, we would be happy to hear from you.
