At Ide Primary School, we are excited to be appointing a Fixed term teacher to start in September 2024.

Ide Primary School is a village school located on the edge of Exeter. We enjoy all the benefits of the rural location, whilst also making the most of the opportunities that the city of Exeter has to offer. Our staff 'know children as individuals' and we are proud of the way that every child is included, known and valued. Our caring ethos is underpinned by the school values of kindness, respect, individual best and curiosity. Children are welcomed into Ide from age 3 and the children throughout the school enjoy having lots of opportunities to interact across the age groups.

This post will be for a fixed term period currently expected to run until approximately May/June 2025 due to maternity arrangements. The role would suit a teacher with experience of teaching either KS1 or KS2 as the role is likely to be with a Year 2/3 class. Experience of teaching mixed age classes would be beneficial but is not essential as we have structures in place to support teachers who are new to this way of working. We are sorry but this post is not suitable for ECTs.

We are looking for someone who loves learning and can develop strong, positive relationships that inspire children to be the best they can be. Our children are naturally curious and engaged with learning and it is important to us that our teachers share in this excitement for finding out more, making links and developing a sense of wonderment about the world we live in.

The successful candidates will have a secure knowledge of the National curriculum and pedagogy to ensure quality in teaching and learning across the full range of primary subjects. Our children see themselves as being active geographers, musicians, authors and so on across the full range of the curriculum. Every subject is important at Ide and we arrange lots of additional experiences, trips and visitors to support learning.

You will work as part of a supportive and friendly staff team at the school, to ensure all children are receiving the best possible education to reach their full potential.

You will have access to continual professional development and leadership opportunities to help you develop your practice and work towards any future career aspirations.

Shortlisted candidates will be notified of interview on 17<sup>th</sup> May, with interviews taking place on Tuesday 21<sup>st</sup> May.

Exeter Learning Academy Trust (ELAT) is a partnership of primary schools based in Exeter. The Trust currently has four schools: Alphington Primary School, Bowhill Primary School, Ide Primary School, and St Thomas Primary School.

We are a people-focused organisation with strong principles of enabling every child and adult within our Trust to thrive. We have high aspirations for all our children, regardless of their starting point, and in turn, expect our staff

to have high aspirations of themselves. We believe that our strength lies in working together and using our collective skills and expertise to benefit the children in our schools.

Full details of the job description, personal specification and application form can be found on the Exeter Learning Academies Trust website [www.exeterlearningacademytrust.co.uk](http://www.exeterlearningacademytrust.co.uk). Please send your completed application form to [jobs@elatschools.com](mailto:jobs@elatschools.com) by midday on 15.05.2024.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful applicant will be subject to an enhanced DBS check. This role also requires the ability to fulfil all spoken aspects of the role with confidence and fluency in English.

We would warmly encourage you to visit the school if you can, or you can arrange an informal talk with the headteacher, Alice Purcell.
